

Ministry of Land

INTRODUCTION

The Ministry of Land is mainly responsible for administration of land related matters. It has a limited range of social security programmes, with involvement specially related to provision of land.

The vision of the Ministry is an efficient, transparent and people friendly land management system. The Ministry has a mission to ensure the best possible use of land and provide pro-people land services through efficient, modern and sustainable land management.

OBJECTIVES

The NSSS objective for the ministry is to tackle marginalization of landless people.

PROJECTS

Ministry of Land has implemented only **one** Social Security Programmes in over the period. The programme;

1. Guchchagram (Climate Victims Rehabilitation)

Brief of the Programme

To rehabilitate landless destitute poor families affected by climate change, river erosion and other natural disasters establishing Guchchhograms on government kash land and bring them mainstream of the society ensuring socio-economic development by providing credit and giving training on awareness & skill development. these activities will contribute to reduce national poverty.

"Guchchhogram – phase 2 (CVRP)" project will establish 2550 (approx.) Guchchhograms on gov. kash land in all over Bangladesh since October 2015 to June 2020 and rehabilitate 50,000 landless destitute families affected by climate change, river erosion and other natural disasters and make them self-reliant by giving training on awareness & skill development and providing credit and have a contribution on reduction of national poverty.

SSNs Present Situation of the Ministry

The Ministry of Land has some programmes for landless people, such as the Guccha Gram (CVRP) Project, Char Development and Settlement Project, etc.

Gap

The programmes need to be further scaled up

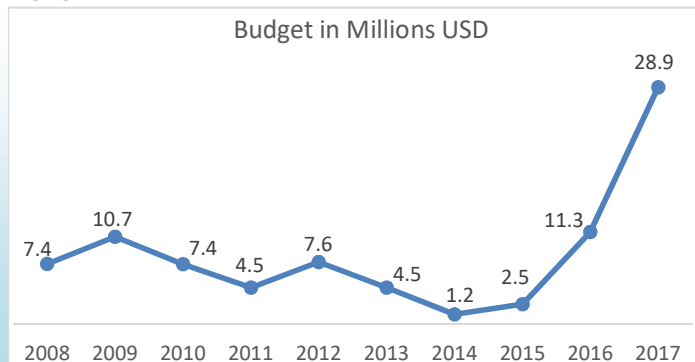

NSSS Provision

The NSSS identifies landlessness as one of the causes of marginalization. Such type of marginalization should be addressed properly by providing land to the landless.
