Year	Upazila	Schools	Students	Remarks
2013	81	12424	2681121	
2014	81	12987	2711043	
2015	93	14715	2825710	
2016	93	15714	3005409	
2017	93	14888	2875315	
2018	104	15080	2942874	

Basic Literacy Project (64 Districts)

Objectives of Project:

- ❖ To provide Basic Literacy and Life skills to 4.5 million illiterate adolescents and adults of 15-45 age groups.
- ❖ To contribute in eradication of illiteracy from the country as well as achieving the 7th Five year Plan.
- ❖ To contribute in the Implementation of the National NFE Policy and the National Education Policy -2010.
- ❖ To promote GO-NGO and community collaboration in NFE.
- ❖ To develop primers in the mother tongue(s) of the ethnic groups for the learners of 3 hill districts.

Main Activities of the Project

- ❖ Each center will have separate shift for male and female learners.
- ❖ Establishment and operation of total 75,000 Learning Centers.
- ❖ Enlistment of 45 lakh (4.5 million) learners of 15-45 age group .
- ❖ Engagement of total 150,000 teachers.
- ❖ Each learning center have one male and one female teacher.
- ❖ Engagement of total 37,500 supervisors.
- ❖ Basic Literacy Course Duration : 06 months in each phase.
- ❖ Number of phase for the project : 04 phases.
- ❖ 60 learners per center- 30 male+ 30 female)

Out put of the project

- **Created opportunities of job-placement for at least one person of each family**
- **Reduced illiteracy rate in the country.**
- **Increased awareness of learners about health environment and social issues.**
- **Improved lifestyle of target groups which turned them to become enlightened & productive citizen.**
- **The project created opportunity of literacy for the disadvantaged people living in Char, Hawor, Hills and geographically remote areas.**

Challenges

- ❖ **The project has to be linked with skills development training for the literacy course graduates.**
- ❖ **Absence of permanent NFE setup of BNFE at Upazila**
- ❖ **Budget of the project needs to be revised for successful implementation.**
- ❖ **Increased incentives package for the Teachers, Supervisors and Trainers for motivation.**

Scale-up Plan

To achieve the targets of the Vision 2021-41, Sustainable Development Goals (by 2030) as well as the 7th Five Year Plan (2016-20), BNFE has developed a Sector Wide Approach Program “ Non-Formal Education Development Program (NFEDP).

The specific objectives of NFEDP are to:

- Provide literacy to 5 million illiterate youth & adults of 15 years and above
- Provide skills development training to 1.5 million neo-literate/semi-literate
- Provide second chance opportunity for 1 million out of school children (age 8 to 14)
- Ensure lifelong learning opportunities for approximately 5 million Literacy and Skills training course graduates and community people through establishing Learning Centers (CLCs) at 4554 unions and 471 urban settings
- Establish 2000 ICT based permanent Community Learning Centers at 2000 unions and 64 Livelihood Training Centers at 64 districts.
- Strengthen capacity & restructure of BNFE to ensure effective NFE program.
